

City of Dallas

November 2, 2017

To All City of Dallas Employees,

The compassion of one person becomes the power of a community when you support the Dallas City Charitable Giving Campaign.

Last year, nearly 1,200 employees demonstrated that compassion by contributing more than \$166,000 to support the causes that matter to them, exemplifying the City's core values: *Empathy, Ethics, Excellence and Equity*.

These collective efforts provide opportunity and hope for our neighbors who need it the most. And it would not be possible without the selfless generosity of the many city employees who contribute their time, talent – and dollars. Your involvement helps to ensure a brighter future for many of the less fortunate in our city, and you should be proud of that achievement.

I thank you for your past support and ask you to once again join me and help the many organizations across our city by making a generous donation to the Dallas City Charitable Giving Campaign. Let's work together and put *Service First* to help make this possible in 2018 – one pledge at a time.

In the Spirit of Excellence!!
